

ACI DEALING CERTIFICATE PREPARATION COURSE

MONEY MARKETS:
PRODUCTS & MARKET
DISCIPLINE

October 11-12-13 &
November 9-10-11, 2017

Registration deadline: Oct. 2nd

In the **ACI - The Financial Markets Association** own definition, the **ACI Dealing Certificate** is a foundation program that allows candidates to acquire a working knowledge of the structure and operation of the major foreign exchange and money markets as well as their core products (cash, forwards and derivatives), and the basic skills required for competent participation, including the ability to apply the fundamental mathematics used in these markets. Candidates should also be able to apply The Model Code to their situation“.

Program structure:

- Blended learning: 2 x 3 days (from 9.00 to 17.00) intensive classroom sessions, on a block-release basis + distance learning (2 months), to allow candidates to assimilate the topics and exam techniques;
- All items subject to examination will be discussed, reviewed, practiced and tested;
- You will be practicing on **exam-like questions**. The goal is to prepare for the real examination.
